Take Back Tomorrow (Richard Marshall Remix)

Goldfish

By this time
You're waiting for someone to change your mind
It's passed on by
Oh in your castle you were confined
And yes you wanted to
Breakdown the walls and say goodbye
Goodbye, goodbye
Shout it out loud it's your battle cry
Shout it out loud it's your battle cryTake back tomorrow
Get your head off your pillow
When you beg, steal or borrow
And we'll take back tomorrow
But it doesn't get, doesn't get, easier, easier
Oh it doesn't get, doesn't get, easierLeft you on
The corner of darkness and deep blue sky
It's world war i
Everyone for themselves til' your battery dies
And no one's going to
Pull out the plug and say goodbye
Goodbye, goodbye
Shout it out loud it's your battle cryWe'll take back tomorrow
Get your head off your pillow
And that's something we all know
If you take back tomorrow
But it doesn't get, doesn't get, easier, easier
Oh it doesn't get, doesn't get, easier, easier
