

# Giants In the Ocean

## Sky Eats Airplane

giants in the oceanboundless water in an eternity frame of mind  
and all that's lost is our time

peaks break through open sky that grasps for land belowmountains climb and topple on themselves.  
steel breaks wave and sounds lull us to sleep

all things drift quietly awayforget your cell phone man, it won't work heremy cameras zoom - it captures all that  
might embrace it

unsteadied ice creates the wake in deeper places  
oh darling I can't bare the thought of separation

the years will pass and we'll forget just how this made us  
there is substance in this silence  
the proof of what surrounds us.

photographs are a mirror image

look deep and see yourself in them.seasickness, ancient forests, and water creatures  
keep us from thinking about home
