

Hurricane (Goldroom Remix)

MS MR

Didn't know what this would be
But I knew I didn't see
What you thought you saw in me
I jumped the gun
So sure you'd split and run
Ready for the worst
Before the damage was done Oh ho oh ho oh ho oh The storm never came
Or it never was
Didn't know getting lost in the blue
It meant I wound up losing you Welcome to the inner workings of my mind
So dark and foul I can't disguise
Can't disguise
Nights like this
I become afraid
Of the darkness in my heart
Hurricane Oh ho oh ho What's wrong with me
Why not understand and see
I never saw
What you saw in me
Keep my eyes open
My lips sealed
My heart closed
And my ears peeled Welcome to the inner workings of my mind
So dark and foul I can't disguise
Can't disguise
Nights like this
I become afraid
Of the darkness in my heart
Hurricane Make ash and leave the dust behind
Lady Diamond in the sky
Wild light
Glowing bright
To guide me when I fall
I fall on tragedy Welcome to the inner workings of my mind
So dark and foul I can't disguise
Can't disguise
Nights like this
I become afraid
Of the darkness in my heart
