

Truck Drivin' Man

Buck Owens & His Buckaroos

Album - "Together Again - My Heart Skip A Beat" 1964I stopped at a roadhouse in Texas,

It was a little place called Hamburger Dan's

And I heard that old jukebox a-playin',

A song about a truck drivin' manPour me another cup of coffee,

For it is the best in the land

I'll put a nickel in the jukebox,

And play The Truck Drivin' Man

The waitress just brought me some coffee

I thanked her but called her again

I said, "That ol' song sure does fit me

'Cause I am a truck drivin' man"Pour me another cup of coffee,

For it is the best in the land

I'll put a nickel in the jukebox,

And play The Truck Drivin' ManI climbed back on board my old semi

And then like a flash I was gone

I got them ol' truck wheels a-rollin

I'm on my way to San Antone

Pour me another cup of coffee,

For it is the best in the land

I'll put a nickel in the jukebox,

And play The Truck Drivin' Man

And play The Truck Drivin' Man
