

Up With the Lark

Bill Evans

(I know SOME of them, maybe?)I woke up with the lark, this morning
I love the dawn of the day.
Roosters crow to me,
Crow hello to me.
Every tree says
Glad to see ya!Dew is dewier, cows are moo-ier,
Soft winds blow.
Nobody ought to be lazy,
No, no, no!
I'm fresh as a daisy.
I feel so wonderful!I woke up with the lark, this morning;
I yawned a little, and then,
Promised myself, yes I promised myself
That I'd Never
Do it Again!
