Swelling

Sarah Jaffe

Hello, how do you feel?
what does that mean?
what does that mean?

Hi, I guess I feel high
cold sweat, dripping down my body

Are you're trying to tell me
something with your eyes?
all I wanna do now is lay down and die
if you're gonna do it
you better do it right
or my heart wont stop swelling

Hello, how do you feel?
what does that mean?
what does that mean?

High, I guess I feel high
cold sweat dripping down my body

Are you're trying to tell me
something with your eyes?
all I wanna do now is lay down and die
if you're gonna do it
you better do it right
or my heart wont stop swelling
