

# Swelling

[Sarah Jaffe](#)

Hello, how do you feel?  
what does that mean?  
what does that mean?

Hi, I guess I feel high  
cold sweat, dripping down my body

Are you're trying to tell me  
something with your eyes?  
all I wanna do now is lay down and die  
if you're gonna do it  
you better do it right  
or my heart wont stop swelling

Hello, how do you feel?  
what does that mean?  
what does that mean?

High, I guess I feel high  
cold sweat dripping down my body

Are you're trying to tell me  
something with your eyes?  
all I wanna do now is lay down and die  
if you're gonna do it  
you better do it right  
or my heart wont stop swelling
