In the Midnight Hour

Tina Turner

I'm gonna wait till the midnight hour
That's when my love comes tumbling down
I'm gonna wait till the midnight hour
When there is no one else aroundI'm gonna take and I'm gonna hold
Do all the things I've told
In the midnight hour, oh yeah, in the midnight hourI'm gonna wait till the stars come out
To see the twinkle in your eyes
I'm gonna wait till the midnight hour
That's when my love begins to shine
You're the only one I know
Really loves me so
In the midnight hour, oh yeah, in the midnight hourMidnight, midnight, midnight tonight, oh
Midnight, midnight, midnight tonight, ooh, ohI'm gonna wait till the midnight hour
That's when my love comes tumbling down
I'm gonna wait till the midnight hour
When my love begins to shineYou're the only, the only one I know
Really loves me so
In the midnight hour, oh yeah, in the midnight hour
Midnight, midnight, midnight tonight, oh
Midnight, midnight, midnight tonight, oh
Midnight, midnight, midnight tonight, oh yeah
Midnight, midnight, midnight tonight
Midnight, midnight, midnight just once more, oh
