

Scare Some Life Into Me

B-Movie

A petal fell down from the sky
It hit me right between the eyes
It was so soft against my skin
As I rubbed it in the wind
These eyes that stare so cold like bullets
They could strike you down
With one glance like Medusa's stare
There are no feelings there

So scare some life into me
Scare some life into me

Shut

The shuttered mind is locked and sealed
I fear that not much lies within
The silent muffled primal scream
And I'm incapable of dreams
I'm standing on a bridge
Watching my reflection flowing by
And I am always running with the tide
So sick and tired

So scare some life into me
Scare some life into me

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh

Scare some life into me
Scare some life into me

And I can't see the light for shadow
I can't see the day for night
I can't see the end of the tunnel
No matter how hard I try

Au quaiche
Ba-ba-ba
Sha

Oh-oh-oh-oh
