

New Mercurial Heights

Catatonia

Those two lights are one,
With the brightest ever smile,
 No way the way out,
 And no resolutions.
 One heady daze of fun,
Do you follow a child around?
 It was easy,
 It all came naturally.And oh,
 It's no perfect day,
 No-one could deny,
 He left, stolen away,
I wish you could have seen it.To where have you been led,
 By a beating ache in your head,
 If you only came,
The world shines with you.A frenzied search for profit,
 For a future you couldn't have,
 You're tried and tired,
 Leave and disappear.And oh,
 It's no perfect day,
 No-one could deny,
 He left, stolen away,
I wish you could have seen it.Ah-ah, ba-ba-ba-ba,
 Ah-ah, ba-ba-da-da-da.
