

We Hate You. Please Die

Crash and the Boys

I can't feel you
I can't feel you
I can't hear you
I can't speak 'cause
Love don't stink
Love don't stink
Love don't stink like that cottage cheese
I hear my god in a coma freeze
I hear my god in a come freeze
Lonely
Lonely I can't feel you
I can't feel you
I can't hear you
I can't speak
Cause love don't stink
Love don't stink
Love don't stink like that cottage cheese
I hear my god in a coma freeze
I hear my god in a coma freeze
Lonely
Lonely
Lonely, lonely like you. Thank you.
