You Win Again

Charley Pride

The news is out all over town
That you've been seen a running round
I know that I should leave but then
I just can't go you win againThis heart of mine could never see
What everybody knew but me
Just trusting you was my great sin
What can I do you win againI'm sorry for your victim now
'Cause soon his head like mine will bow
He'll give his heart but all in vain
And someday say you win againYou have no heart you have no shame
You take true love and give the blame
I guess that I should not complain
I love you still you won again
