

# Prodigal

## Casting Crowns

Living on my own, thinking for myself  
Castles in the sand, temporary wealth  
Walls are falling down, storms are closing in  
Tears have filled my eyes, here I am again  
And I've held out as long as I can  
Now I'm letting go and holding out my hand  
Daddy, here I am again  
Will you take me back tonight?  
I went and made the world my friend  
And it left me high and dry  
I drag your name back through the mud  
That you first found me in  
Not worthy to be called your son  
Is this to be my end?  
Daddy, here I am  
Here I am again  
Curse this morning sun, drags me in to one more day  
Of reaping what I've sown, of living with my shame  
Welcome to my world, and the life that I have made  
Where one day you're a prince, the next day you're a slave  
And I've held out as long as I can  
Now I'm letting go and holding out my hand  
Daddy, here I am again  
Will you take me back tonight?  
I went and made the world my friend  
And it left me high and dry  
I drag your name back through the mud  
That you first found me in  
Not worthy to be called your son  
Is this to be my end?  
Daddy, here I am  
Here I am again  
And I've held out as long as I can  
Now I'm letting go and holding out my hand  
Daddy, here I am again  
Will you take me back tonight?  
I went and made the world my friend  
And it left me high and dry  
I drag your name back through the mud

That you first found me in  
Not worthy to be called your son  
Is this to be my end?  
Daddy, here I am  
Here I am again
