

Covered in Rain (Live in Birmingham)

John Mayer

These days, with the world getting colder,
She spends more time sleeping over
Than I planned. Tonight we're gonna order in,
Drinking wine and watchin' CNN.
It's dark I know, but then again
It's the brightest thing I got 'Cause I'm covered in rain
No, I'm covered in rain, rain, rain, rain
Fireworks to fireplaces
Summer stole what fall replaces
We're people watching, all the people watching, everybody watching me
Standing by the missing signs at the CVS by the checkout line
She puts her quiet hands in mine
'Cause she's the brightest thing I got When I'm covered in rain
'Cause I'm covered in rain, rain, rain, rain
'Cause I'm covered in rain
No I'm covered in rain It's alright
If you don't want to, go on
It's alright
If you don't want to, be alone
Oh It's alright
If you don't want to, want to, want to, go home I understand, I understand, I understand,
You and me and everyone I'm covered in rain
No, I'm covered in rain
No, I'm covered in rain, rain, rain, rain
I'm covered in, covered in, covered in rain
