

In England

Fischer-Z

Colorful compartments
Desert island views
Elusive in England
Forget the fabrications
Give us all a clueHave faith in horizon
Intercity interlude
Jack and Jill rub thigh's
And think it's rude
Keeping close along the line
Lovers losing sense of timeIn England
Ooh that's nice, ooh paradiseMany manifestos
Nailed up on the wall
Out of the blue
Only for youPrinted regulations
Quick to disapprove
Restrictions, restrictionsSkin and bones can't find a way
The British blues today
Underneath the surface laughter
Voices quiver in the darkIn England
Ooh that's nice, ooh paradise
