

Mexican Aftershow Party

Kevin Drew

Do you wanna go to a Mexican after show party?
Do you wanna see it kinda takes it slow?
How about we go to the Mexican after show party?
Really, really wanna go We go wild in this
We go wild and don't know how to feel
Let's go to the Mexican after show party
Let's go make it all and try to feel real Do you wanna why like to the Mexican after show parties?
'Cause they place a smile on the chance
Did you just hear why I like to Mexican after show parties?
Did you just hear a bad romance? So let's go the Mexican after show party
You can say that I'm man
But I don't wanna fight with the Mexican after show party
Don't wanna fight with the man that I am
