

# Winner of the Game (feat. JD Davis)

David Guetta

No matter what people say  
I'm gonna do it my way  
I'm strong enough and alive  
I know that I can survive Won't take advice that you give  
I've got my own life to live  
I'll make it right through the rain  
And be the winner of the game  
We're all winners of the game Winners of the game  
Winners of the game Winners of the game  
One fight for glory  
One life one destiny  
Winner of the game  
We've got one story  
One life to be  
Winners of the, winners of the  
Winners of the game You pushed to be what you see  
On magazines and tv  
Is it as hard as it seems  
If you just follow your dreams  
Is it truth or a lie  
To work in safe till you die  
Or this too, all insane  
And be winners of the game Winners of the game  
One fight for glory  
One life one destiny  
Winner of the game  
We've got one story  
We all can be  
Winners of the game One fight for glory  
One life one destiny  
Winner of the game  
We've got one story  
One life to be  
Winners of the, winners of the  
Winners of the game
