

# Home (feat. Jesse Carmichael)

## Ry Cuming

my oh my  
I've gone so far  
now I know I'm home  
salty air is on my skin but ooh  
I'm lost again  
and you look so good and I can't forget  
words slipped my mind  
I'm lost again  
my oh my I've gone so far  
I've seen this world  
and all my lips I've tasted love  
but ooh  
I'm lost again  
and you look so good i cant forget  
words slipped my mind  
I'm lost againand you look so good  
I cant forget  
what slipped my mind  
I'm lost againand you look so good  
I want forget  
what slipped my mind  
I'm lost again
