Feelin' It

Jimmy McGriff

Yeah, uh huh
Back up
This is jump off
N.E. yeah
Hot new babe
Feelin' it joint
We bad boy now
You know how we doin' it
So c'mon
Here we go
I need a girl, I wanna dance cuz I'm feelin' it, feelin' it
So turn around if you're feelin' it
Girl, your moving that thing and I'm feelin' it, feelin' it
So let me know if your feelin' it, baby
I need a girl, I wanna dance cuz I'm feelin' it, feelin' it
So turn around if you're feelin' it
Girl, your moving that thing and I'm feelin' it, feelin' it
So let me know if your feelin' it, baby
Baby, I've been waiting for you
To come across the room and start your night with me
Take a chance, I know you want to
So tell me what you like, I'll be your fantasy, oh, baby c'mon
I like the way you do your thing
The way you work that body really turns me on
And girl when you move that way it's so enticing
So baby, come on over before the feelin' is gone
I need a girl, I wanna dance cuz I'm feelin' it, feelin' it
So turn around if you're feelin' it
Girl, your moving that thing and I'm feelin' it, feelin' it
So let me know if your feelin' it, baby
I need a girl, I wanna dance cuz I'm feelin' it, feelin' it
So turn around if you're feelin' it
Girl, your moving that thing and I'm feelin' it, feelin' it
So let me know if your feelin' it, baby
Girl, I've got a premonition
That you'll be in my room before the night is through
So won't you give me your permission
'Cause there's so many things I want to do to you? Oh, baby c'mon
I like the way you do your thing

The way you work that body really turns me on
And girl when you move that way it's so enticing
So baby come on over before the feelin' is gone
I need a girl, I wanna dance cuz I'm feelin' it, feelin' it
So turn around if you're feelin' it
Girl, your moving that thing and I'm feelin' it, feelin' it
So let me know if your feelin' it, baby
I need a girl, I wanna dance cuz I'm feelin' it, feelin' it
So turn around if you're feelin' it
Girl, your moving that thing and I'm feelin' it, feelin' it
So let me know if your feelin' it, baby
Are you feelin' it the way that I'm feelin' it
Dress cocked up and ashamed of revealin' it
I'm a gentlemen but I feel like drillin' it
Till I got you open speaking that gibberish
Now who's this? Shorty with the millionaire dress on
She need a real don to come get her
Come sit her in V.I.P.
With Blake C. and the rest of the boys from N.E.
I need a girl, I wanna dance cuz I'm feelin' it, feelin' it
So turn around if you're feelin' it
Girl, your moving that thing and I'm feelin' it, feelin' it
So let me know if your feelin' it, baby
I need a girl, I wanna dance cuz I'm feelin' it, feelin' it
So turn around if you're feelin' it
Girl, your moving that thing and I'm feelin' it, feelin' it
So let me know if your feelin' it, baby
Heads c'mon
Heads, get this
I see [incomprehensible], yeah
It's the [incomprehensible]
Sit around
Feelin' it baby
Yeah
