Hey Stoopid (feat. Ozzy Osbourne, Slash)

Alice Cooper

Hey bro, take it slow
You ain't livin' in a video
You're flying low with a high velocity
No doubt, you're stressin' out
That ain't what rock n' roll's about
Get off that one way trip down lonely streetNow I know you've been kicked around
You ain't alone in this ugly town
You stick a needle in your arm
You bite the dust, you buy the farmHey, hey, hey, hey, hey stoopid
What ya tryin' to do
Hey, hey, hey, hey, hey stoopid
They win you lose
Hey, hye, hey, hey, hey stoopidC'mon girl, it's a better day
Get your foot out of that grave
Don't let that one love tear your world apart
C'mon babe, kick that stuff
Show the street it ain't so tough
Quit lyin' around with a crippled, broken heartNow I know you've been seeing red
Don't put a pistol to your head
sometimes your answer's heaven sent
Your way is so damn permanentHey, hey, hey, hey, hey stoopid
What ya tryin' to do
Hey, hey, hey, hey, hey stoopid
They win you lose
Hey, hye, hey, hey, hey stoopidThis ain't your daddy talkin'
You know, I know
Your story ain't so shocking
You know, I know
Blow some steam
C'mon and screamHey, hey, hey, hey, hey stoopid
What ya tryin' to do
Hey, hey, hey, hey, hey stoopid
They win you lose
Hey, hye, hey, hey, hey stoopid
