

# Higher Than Hope

## Nightwish

Time it took the most of me  
And left me with no key  
To unlock the chest of remedy  
Mother, the pain ain't hurting me  
But the love that I feel  
When you hold me nearThe hopes were high  
The choirs were vast  
Now my dreams are left to live through youRed Sun rising  
Drown without inhaling  
Within, the dark holds hard  
Red Sun rising  
Curtain falling  
Higher than hope my cure liesPassion tide  
An angel by my sideBut no Christ to end this war  
To deliver my soul from the sword  
Hope has show me a scenery  
Paradise poetry  
With first snow I'll be goneThe hopes were highRed Sun risingYour death saved meRed Sun rising
