

Get Naked (i Got A Plan)

Britney Spears

Danja
Yeah, this sounds nice
yeah, yeah

I got a plan we can do it
Just when you want it baby,baby,baby
As long as you want it
Come with me we can do it
Baby, baby, baby

I got a plan we can do it
Just when you want it baby,baby,baby
As long as you want it
Come with me we can do it
Baby, baby, baby

My body is calling out for you bad boy
I get the feeling that I just want to be with ya
Baby, I'm a freak and I don't really give a damn
I'm crazy as a motherfucker
Bet that on ya man

If ya like what ya see
And your curiosity
Let your mind roam free
Won't you pay attention please

What I gotta do to get you to want my body?
Quarter past three and ready to leave the party

[illegible]

Get naked
Get naked
Get naked
Get naked
Get naked
Get naked
Get naked
Get naked
Take it off
Take it off
Take it off
Take it off
Get naked
Get naked
Get naked
Get naked

I'm not ashamed of my beauty you can see what I got
Shouldn't I freak you out; imagine if I work it out
If I got on top, your gonna lose your mind
The way I put it down boy you know should be up

Whatever you want, oh
 Whatever you want, oh
 We got it

If ya like what ya see
And your curiosity
Let your mine roam free
Won't you pay attention please

If ya like what ya see
And your curiosity
Let your mine roam free
Won't you pay attention please

[illegible]

Take it off (if I take it off)
Take it off (if I take it off)
Take it off (if I take it off)
Get naked
Get naked
Get naked
Get naked

Baby, take it off
I just wanna take it off, I just wanna take it off
Baby, take it off
I just wanna take it off, I just wanna take it off

What ya tryin' to do, do, do
(I got a plan we can do it just when you want it baby, baby, baby)
What ya tryin' to do, do, do
(As long as you want it come with me we can do it baby, baby, baby)
