

Idiot

JEFF the Brotherhood

Bad dreams
Get your head checked
Grab a cold one
Get back into bed
Mean streak
You took everything
And put it on me
And took me right to the edgeSome people say
What doesn't kill you makes you strong
But that doesn't make any sense to me
At all
She said ooh hoo hoo
I'm not some kind of idiot
If you think so I want you to know
That ooh hoo hoo
I did it because I hated you
I degraded you and left you alone
And I really really really really really really really really
Really love to make you feel bad
Because ooh hoo hoo
Baby I'm the worst thing you've ever hadTwenty sack
Hey give me half of that
A chocolate ice cream
She ate the whole thing
Zoned out you got my head ripped
It took a long time
But now it's making me sick
Some people say
What doesn't kill you makes you strong
But that doesn't make any sense to me
At allShe said ooh hoo hoo
I'm not some kind of idiot
If you think so I want you to know
That ooh hoo hoo
I did it because I hated you
I degraded you and left you alone
And I really really really really really really really really
Really love to make you feel bad
Because ooh hoo hoo

Baby I'm the worst thing you've ever had
And I really really really really really really really really
Really love to make you feel bad
Because ooh hoo hoo

Baby I'm the worst thing you've ever had
