

# The Battle Is The Lord's

Yolanda Adams

There is no pain Jesus can't feel, no hurt He can not heal  
All things work according to His perfect will  
No matter what you're going through  
Remember God is using You for the battle is not yours  
It's the Lord's

There's no sadness Jesus can't feel  
And there is no sorrow that He cannot heal  
For all things work according to the Master's holy will  
No matter what you're going through  
Remember that God is only using You  
For the battle is not yours, it's the Lord's  
It's the Lord's, yes, it's the Lord's  
Hold your head up high, don't you fright  
It's the Lord's, it's the Lord's

Yes, it's the Lord's  
No matter what you're going through  
Remember that God only wants to use you  
For the battle is not yours  
It's the Lord's  
No matter what you happen to go through right now

Remember that in the midst of it all, God only wants to use you  
No matter what you're going through, for the battle is not yours  
It's the Lord's  
No matter what it is that you're going through  
Hold your head up, stick your chest out  
And remember He's using you, no matter what you're going through  
God is only using you

For this battle is not yours alone, this battle is not yours, no  
You can not handle it all by yourself, no, no, no, no, no, no  
It's not yours, this battle is not yours  
It's the Lord's, not yours  
This battle is not yours, the Lord is the only one who can fight it  
He wants to use you as His vessel, so be open to Him  
It's not yours, no, it's not yours  
It's the Lord's, not yours  
The battle is not your's  
It's the Lord's  
Hallelujah, yeah
