

Luv Me, Luv Me

Shaggy

Original lover, lover, mm, yeah, uh

(Yeah)

Catch a groove girl, catch a groove, that's right

(DJ)

A who da man dat love to make you moist and wet

A who da man dat love to make you moan and sweat

A who da man dat love to make you scream out "Yes"

(Mr. Lover, Mr. Lover)

A who da man dat love to make you moist and wet

A who da man that love to make you moan and sweat

A who da man dat love to make you scream out "Yes", naw

(Mr. Lover)

Sweet, succulent and fine

A twinkling eye on my darling divine

I love the way you move all the way you're designed

Your only lines are my mind, forget the corny line

Now let me hit you off with this question sign

You seem to be the type for me to wine and dine

A little candlelight dinner toasted over some wine

Well, I will hit you off with this lyrical rhyme

Now Mr. Lover keep her rockin', Mr. Lover keep her rockin'

Mr. Lover keep her rockin' and swing

Now Mr. Lover keep her rockin', Mr. Lover keep her rockin'

Mr. Lover keep her rockin' and swing

Ooh boy, I love you so

Never, ever, ever gonna let you go

Once I get my hands on you

(Luv me, luv me, luv me sex machine)

Ooh boy, I love you son

Never, ever, ever gonna let you go

I hope you feel the same way too

(You know dat)

Step in my caravan of love

So I can love, gonna give you hotter rubs

Dem ever wet kisses wit' dem brazen hugs

And now your sweet, silky body on my Persian rug

While we sippin' Coke from da same ol' mug

I'm readin' fortune cookies from the Chines proverb

It had some great stuff written in it with some cool rub-a-dub

A little ol' reminisce in the hot tub, huh
Now Mr. Lover keep her rockin', Mr. Lover keep her rockin'
Mr. Lover keep her rockin' and swing
Now Mr. Lover keep her rockin', Mr. Lover keep her rockin'
Mr. Lover keep her rockin' and swing
Ooh boy, I love you so
Never, ever, ever gonna let you go
Once I get my hands on you
(Luv me, luv me, luv me sex machine)
Ooh boy, I love you son
Never, ever, ever gonna let you go
I hope you feel the same way too
Girlie, Girlie
Yeah, you woke a real love machine
Girlie, girlie
Whoo, I'll hit you between the sheets
Girlie, girlie
Girl, you love to moan and scream
Girlie, girlie
You know what I'm sayin'
(Yeah)
Shuh
Girl, you're unique
Now let me take a whiff of that sweet physique
You're the only girl allowed to make my heart stop beatin'
Let me, ha, ha, let's kick it heartlessly
To be the lady of your color is an honor indeed
Leave a lastin' impression for weeks and weeks
I want to throw rose petals to your humble feet
Lay you gently on my sheet and sexercise you to sleep, huh
Mr. Lover, Mr. Lover, Mr. Lover
Mr. Lover, Mr. Lover, Mr. Lover
Ooh boy, I love you so
Never, ever, ever gonna let you go
Once I get my hands on you
(Luv me, luv me, luv me sex machine)
Ooh boy, I love you son
Never, ever, ever gonna let you go
I hope you feel the same way too
