

# Crumblin' Erb

## OutKast

Yes sir, let me dig into your brain, folks fallin' like rain  
Property got me sellin' thangs, guess I'm gon' explain  
Jane is rolled up, no gangs be throwed up  
But still Andre got action, they sweat like Keith, all on my teeth  
I take it upon myself to handle mine, thinkin' that you  
Gots ample to do this have you shot I thought you knew this  
I'm crumblin', no time for fumblin' sellin' my sacks watchin' my back  
Wettin' 'em up like splish, leavin' 'em in a splash Of blood, the clock is tickin' niggaz from my block is missin'  
I'm puttin' it down like it be hot before we all get shot  
Got, only so much time in this bastard  
Bitter be claimin' broke but I be sayin' they pro-cras-ti-natin'  
Settlin' for less, bet' be ready when they roll up in your nest and  
Sink one in your chest and you is gone, up outta here for good  
Y'all be bobbin' back and forth to let me know you understood  
Yeah, whassup There's only so much time left in this crazy world  
I'm just crumblin' erb, I'm just crumblin' erb  
Niggaz can't let niggaz they don't understand  
(What's the master plan?)  
I'm just crumblin' erb, I'm just crumblin' erb So check me out, see once in a while when niggaz be tryin'  
To test me I gets frisky grab a pint of golden whiskey  
Then they swing but shit they missed me I'm gettin' nice  
With them thangs, because I do like that you heard me on the radio  
And yes my man I'm true to dat I run my lyrics the way  
Y'all wanna hear 'em and shoot my dice like it's the brick  
The way that wall done flicks 'em nigga, so ring around the roses  
Diamonds around my neck from flexin' but I'm runnin' niggaz  
Over like a ninety-fo' Lexus, test it ten millimeters count 'em Nigga fuckin' high see I added a millimeter for  
y'all niggaz  
Doin' crimes and drive bys kiss yo' ass bye-bye  
Sayanora suckers I flipped the script  
And turned the page ain't scared of you motherfuckers  
Be boppin' shots, like them hoes be poppin' coochies  
And I still be spreadin' bullets like them freaks be spreadin' cooties  
So look here niggaz, I'm huntin' Red October  
I said my shit and ran my lyrics and now my verse is over There's only so much time left in this crazy world  
I'm just crumblin' erb, I'm just crumblin' erb  
Niggaz can't let niggaz they don't understand

But some of that time when I be layin' vocals in the dungeon

You gets nothin' just like DJ do the cuttin' I be havin your posse  
Duckin' nothin' but king shit, I am askin', sucka can you hand  
That player with the pepper throwin' salt off in your game

Forever pimpin' never slippin' that's how it is  
That how it's gon' be, that's how it was in the past  
That's how it's gon' be in the futures nigga  
It's all day everyday, so whatchu wanna do with it?  
Bring that shit on, know what I'm sayin'? Yeah There's only so much time left in this crazy world

I'm just crumblin' erb, I'm just crumblin' erb There's only so much time left in this crazy world  
I'm just crumblin' erb, I'm just crumblin' erb  
Niggaz can't let niggaz they don't understand  
(What's the master plan?)  
I'm just crumblin' erb, I'm just crumblin' erb There's only so much time left in this crazy world
