

# One Shot

Danity Kane

You're all in my ear (I hear you talking dirty)  
You wanna give me your number but you ain't saying nothing new to me (new to me)  
Are you sure that you can handle me?  
ah, oh, oh, oh, ooh

So let me put on my boots (do you think that you can rock it)  
Turn it up, let it loose  
Boy can you get with this minor tease (minor tease)  
Before I bring it to you make believe

All I need is one shot (and baby you're gone)  
It'll have you calling non-stop (Just can't leave it alone)  
If I give you what you need  
Do your really think you can handle me?  
Boy do you think that you can handle me?

Ooh (hope you're ready)  
Tell me (that you're ready)  
Cause I can't even fight it no more  
Cause baby my body (is like a potion)  
When I put this (thing in motion)  
Guarantee that you'll be beggin' for more  
Oh, oh, oh, oh, ooh

(Boy give me all that you got)Gotta make it hot for me  
(Keep it coming don't stop) I hope that you're ready  
(I hear what you're saying to me) Cause I'm about to bring you  
(Think you can handle me?)

[Repeat: x 2]

All I need is one shot (and baby you're gone)  
It'll have you calling non-stop (Just can't leave it alone)  
If I give you what you need  
Do your really think you can handle me? (Do you think that you can handle me!?)  
Boy do you think that you can handle me?

So if ya got what I want  
And you think you're ready baby (Come on and get it)  
Come on (Come on and just get it)  
And if ya got what I need boy

Don't keep me waiting baby (Come on and get it)  
(Come on and just get it)

(Boy give me all that you got)Gotta make it hot for me  
(Keep it coming don't stop) I hope that you're ready  
(I hear what you're saying to me) Cause I'm about to bring you  
(Think you can handle me?)

All I need is one shot (and baby you're gone)  
It'll have you calling non-stop (Just can't leave it alone)  
If I give you what you need  
(Baby you're gone!)  
Do your really think you can handle me? (Do you think that you can handle me!?)  
Boy do you think that you can handle me?

{ Oh, oh, oh }  
One shot  
{ Oh, oh, oh }  
One shot  
{ Oh, oh, oh }  
One shot  
{ Oh, oh, oh }  
One shot [Repeat: x 5]
