

The Half of It Dearie Blues (1959 Stereo Version)

[Ella Fitzgerald](#)

I've got the "you don't know the half of it, dearie" blues
Oh, how I wish you'd drop that anger and end your cruise
You're just a duffer who makes me suffer
All the younger set says your heart's to let
I've got the "you don't know the half of it, dearie" blues I've got the "you don't know the half of it, dearie" blues
Although I know that love's a gamble, I hate to lose
Life will be duller; we'll have no color
Jill without a Jack makes the future black
I've got the "you don't know the half of it, dearie" blues
I've got the "you don't know the half of it, dearie" blues
