

Dance on the Borderline

Dismissed

Innocent until proven guilty,
loved 'til the grip can't hold no more,
unknown by the wise,
murdered by the foolish, Dance on the borderline,
between care and obsession,
what if we could
Dance on the borderline,
between care and obsession,
Dance on the borderline,
between care and obsession,
what if we could
Dance on the borderline,
between care and obsession And we are
Innocent until proven guilty,
loved 'til the grip can't hold no more,
I want more
than the wise,
I dance away from the border
Dance on the borderline,
between care and obsession,
what if we could
Dance on the borderline,
between care and obsession,
Dance on the borderline,
between care and obsession,
what if we could
Dance on the borderline,
between care and obsession
