

# It's A Man's Man's Man's World

[Stan Walker](#)

This is a man's world, this is a man's world  
But it wouldn't be nothing, nothing without a woman or a girl  
You see, man made the cars to take us over the road  
Man made the train to carry the heavy load  
Man made the electric light to take us out of the dark  
Man made the boat for the water, like Noah made the ark  
This is a man's, man's, man's world  
But it wouldn't be nothing, nothing without a woman or a girl  
Man thinks about little baby girls and the baby boys  
Man make them happy 'cause man make them toys  
And after man make everything, everything he can  
Do you know that man make money to buy from other man?  
This is a man's world  
But it wouldn't be nothing, nothing without a woman or a girl  
He's lost in the wilderness  
He's lost in bitterness  
He's lost, lost somewhere in this, in loneliness
