

Lost

Maxwell

I wanna love you, baby
Say that you'll be with me
Don't leave me, I'm in vain
'Cause I've been lost for too long
Don't you go
Don't you leave me
'Cause I've been lost for so long
So long
So long
When I see you from a distance
When I see how you ignore with resistance
And I know you have been
And your children are growing up
And your husband is loving you
I don't know if I can go on
Because I've been so
So lost
I've been so
So lost
So lost
So lost
So lost
In the waking hour
In the middle of the night
When the moon is not just full
I see you in my eyes
I see you and it haunts me
And you tore me
And you haunt me
