

# Earthshaker Rock

## Doro

Hey you - whatcha gonna do?  
Whatcha gonna do tonight?  
Bang your... bang your head!  
Metal rock is here tonight! In the streets a wave of heat  
Burning half the town.  
Let's finish the day  
In a rocking good way!  
Out of hell and out of fire  
The night is filled with dark desire  
Metal sounds will take you higher  
Listen to the beat all through the night!  
When you get here  
You will see the light  
And sounds will heat up  
The heat of the night  
Earthshaker rock Come on, sweet earthshaker rock  
Let me make you feel all right  
State of shock - metal rock  
It's all right! Higher, higher  
Set your light on fire  
You get higher When you get here  
You will see the light  
And sounds will heat up  
The heat of the night  
Earthshaker rock  
Heat of the night  
Earthshaker rock  
Come on, I make you feel all right  
Earthshaker rock!  
Earthshaker rock  
Come on, sweet earthshaker rock  
Come on, baby, I make you feel all right!  
State of shock - metal rock  
Metal rock! Earthshaker rock  
Earthshaker rock  
Come on, come on, come on, come on, metal rock  
State of shock - metal rock  
Metal rock! Metal rock  
Metal rock!
