

# Find Out

## The Dudes

Yeah yeah

Do you Don Cartagena solemnly swear to take this game of hip-hop  
As your lawfully wedded wife through sickness and health  
'Til death do you part?

I do

Aight then, you now may spit on the bride  
I bet you thought I left you hangin', Joe Crack returns bangin'  
With somethin' brand spankin', what the fuck was y'all thinkin'?  
Blow out your tweeters, have dinner with world leaders  
Terror Squad so much they be cats with dark caesars  
Fast cars and millimeters, gold cards and Visa's  
Givin' nonbelievers ways to fly with Jesus  
Here's my thesis, enterprise break the block to pieces  
Hustler and hard pool shark like Jack Gleason  
The only reason I came back was for the platinum  
With raps, ten times more deadly than saccharin  
MC's be actin', I think somebody needs to slap 'em  
Run up on 'em attack 'em, and ask 'em what's his passion  
My love is rockin' shows at the highest extremity  
This star from Trinity got your mom sayin' she's feelin' me  
Who's dealin' ki's, that's peace, get your cheese, [Incomprehensible]  
Pump this masterpiece at the loudest degree  
Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage  
Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage  
Yo fuck movin' mountains, I move planets and you be Earthless  
Terror Squad the worst that hurt shit, split you to verses  
Joey Crack the world in half, Punisher punish 'em  
'Til they lose the hopes and dreams  
They had then Armageddon finish 'em  
Yo I'm bout as braze as Satan, no exaggeratin'  
My crew is radiatin', shinin' while you playa-hation  
Cartagena hit 'em like the Red Army invasion  
Operation lace 'em show 'em what they facin', what?

I've been down since the days of Flash  
When it was fun and laughs, before hip-hop was based on cash  
Let's blaze a sack and concentrate on coke inflation  
You know the biggest asses in United Nations  
Fuck the Federation, general population is hibernatin'  
But bear witness to information that'll rock this nation  
I'm not God, but indeed, my mind's relatin'  
Better act now, before your life is wasted 'cause time is racin'  
Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage  
Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage  
Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage  
Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage  
Let me find out  
Yeah, now do you hip-hop  
Take Don Cartagena, as your lawfully wedded husband  
Now by the power invested in me, by me  
I pronounce you husband and wife  
Joey Crack, A.K.A. Kaiser Soze  
Heads beware, there's mad fear in the air  
Joey Crack, A.K.A. Kaiser Soze  
Knuckleheads beware, knuckleheads beware  
Joey Crack, A.K.A. Kaiser Soze  
Knuckleheads beware, there's mad tension in the air
