

Miracle Worker (Ashley Beedle's Warbox Remix)

SuperHeavy

Now this one reaching out to all the lovers
Who might be thinking of breaking up, huh
Or maybe even making up, check it I missed a part of you I can't get back
Don't be a silly nilly
I'm always here for you
Through the thick and thin not just because we argue See I wanted to be true, but I can't do that
Why not, what's stopping you? Don't be preposterous
I've got a lot of love, not just a lot of lust
If I only was a fool, I'd be loving
Well that's your own opinion, and you're entitled to it
I'll be lost in oblivion, if we don't go through it There's nothing wrong with you I can't fix
I come a runnin' with my little bag o' tricks
In an emergency I'm very well prepared
My scalpel, mÃ¡sk and gloves, don't ever get too scared Ooh, ooh you're a Miracle worker
Ooh, ooh you're a surgeon of love
You have a medical condition
Ooh, ooh can't wait to fix me up
And I promise I'll be back again
If you work your miracles on me Your mentality was fresh, it touched my soul
Invigorating and refreshing, and interesting, and it feels right
My heart was drowning in stress, but you brought out the best in me
And the way you make me feel, I often wonder if I feel right My love and laser will regenerate your heart
No need for anesthetics, I'll go check your charts
I will reshape you, recast you from the mold
A brand new beautiful woman will blossom from the old Ooh, ooh you're a Miracle worker, yes you are
Ooh, ooh you're a surgeon of love
You have a medical condition
Ooh, ooh can't wait to fix me up
And I promise I'll be back again
If you work your miracles on me Ooh, ooh you're a Miracle worker
Ooh, ooh you're a surgeon of love
You have a medical condition
Ooh, ooh can't wait to fix me up
And I promise I'll be back again
If you work your miracles on me Work your miracles on me
