Uplift

Pantera

On one whole bottle "uplifting!"
There is no telling what I'll do
Run head first into traffic
A mindset of annihilationNo sense makes sense
You can't get bought without thought
Ah, no sense makes sense
You can't get bought without thought inside
Your head nowUplift, uplifting
Uplifting nowOn hallucinogenic "uplift"
I can step out of my body
Religion is in myself
I'll split my head in two and see you twiceNo sense makes sense
You can't get bought without thought
Ah, no sense makes sense
You can't get bought without thought inside
Your head nowUplift uplifting
Uplifting now
Uplifting you nowGive me alcohol extremities
Instead of proofless Christianity
Drunked up in a coma place
Critics disgusted, but a smile on my fucking face
I do anything that I want
And I get everything that I ask
And if this message bothers you, you know
Just kiss my fucking ass hole
