

Not My Daddy

[Kelly Price f/Stokley](#)

Chorus

Your not my daddy your my man
i think its time you understand
so just make me happy if you can
oh oh

im not your mamma im your girl
and i am the lady in your world
and loving each other 's how we work
oh oh

song

trust. without it theres no love
its true no matter what you try
us. there can be no us
unless we find the stregnth to fight

i spy you seek
you watch i peek
what are we doing with our love
this 's not how its sposed to be

chorus

joy
are we really sure
maybe we should close the door
oh the storms
we try to stand strong
weve been holding on too long

chorus

please come to me
well speak words like when we met
speech
oh lord speech
please chnge the language that we speak
oh oh baby baby

chorus x2 (freestyle)

i pray you weep
you cry i speak
so what are we doing with the love
this's not how its sposed to be

chorus
