Torment Me

Suicide Commando

Punish scraping the flesh pleasure raping your soul rotten breeding aggression reaper rip out your soul crucified bring on the heathen exorcised bring on the demons sacrificed bring on the evil parasite bring on your death to meTorment me
I want to feel your pain
Torment me
This is no stupid game
Torment me
I want to feel your pain
Torment meDestroy me despite me disgust me punish scraping the flesh pleasure raping your soul rotten breeding aggression reaper rip out your soul crucified bring on the heathen exorcised bring on the demons sacrificed bring on the evil parasite bring on your dead to me
