

Your Cheatin' Heart

[Elvis Presley](#)

Your cheatin' heart will make you weep
You'll cry and cry and try to sleep But sleep won't come the whole night through
Your cheatin' heart will tell on you When tears come down like falling rain
You'll toss around and call my name You're gonna walk that floor the way that I do
Your cheatin' heart will tell on you When tears come down like falling rain
You'll toss around and call my name You're gonna walk that floor just the way that I do
Your cheatin' heart will tell on you Your cheatin' heart will tell on you
Your cheatin' heart will tell on you
