She Is In Fear of Death

Today Is The Day

Now that's the fire...Cash,
Cars,
Prizes,
Trips.I can't be you. [x2]Run and hide,
Blue blood. [x5]Run and hide.Cash,
Cars,
Prizes,
Trips.I can't be you. [x2]I wanna fight,
C'mon and fuck with me. [x2]Someone is calling and someone is saying. [x3]
Someone is calling...I smell sex...[x2]
I can't sleep,
I can't eat.I smell sex...[x2]
I can't sleep...I wanna fight,
C'mon and fuck with me. [x2]Someone is calling and someone is saying. [x3]
Someone is calling.I smell sex...[x2]
I can't sleep,
I can't eat.I smell sex...[x2]
I can't sleep...
