

Time

The Pretenders

You're always welcome
To stop on by
I'll be there baby
To get you high
You're thinking maybe
This one's for real
You don't know
How good you fell

[Chorus:]
Gimme some time
Real good time
Gimme some time
Time
Gimme some time
Real good time
Gimme some time
Time

Come on in
We can be free
No one will be here
No one will see
It's nobody's business
What we do
You want me
Baby I want you

[Chorus]

Life is too tough
To work all day
What does it cost
To earn your pay
If the man is breaking your will
He won't reward you
But I will

[Chorus x3]
