

# Walkin'€™ Dream

Patsy Cline

A walkin' dream  
I dreamed about you  
A walkin' dream  
Can't do without youLovely dream  
Just can't forget you  
'Cause your so dreamy, peach n' creamy  
Walkin' dreamNow keep on a walkin'  
Keep on a talkin'  
And I'll do my best to make the rest  
Of this lovely dream come trueA walkin' dream  
I want you near me  
Walkin' dream  
Can't you hear me?Lovely dream  
Won't you love me?  
'Cause your so lovey, turtle dovey  
A walkin' dreamA walkin' dream  
My heart is yearnin'  
Walkin' dream  
My lips are burnin'Lovely dream  
Of love I'm learnin'  
'Cause your surprisin', tantilizin'  
Walkin' dreamNow keep on a walkin'  
Keep on a talkin'  
And I'll do my best to make the rest  
Of this lovely dream come trueA walkin' dream  
I want you near me  
A walkin' dream  
Can't you hear me?Lovely dream  
Won't you love me?  
'Cause your so lovey, turtle dovey  
Walkin' dream  
'Cause your so lovey, turtle dovey  
Walkin' dream
