Rise or Fall

Common Rider

Advisory - the following lyrics contain explicit language:

Sleeping in my mother's arms
inches from a world of harm
Ten years later 5:00 A.M.
alcoholic hell and thenI heard it call: Rise or FallLiving like an effigy
vultures staring down at me
went to hell and touched the ground
then I heard a subtle soundChorus Do you like the neighborhood?
Do you think it feels good?
Do you want to Rise - or Fall?ChorusRise!
