

Blame It On Mom

[Johnny Thunders](#)

Well maybe your Mother never told you
Maybe your Father's too kind
Well I'm gonna tell you baby
I think it's just a waste of time
Oh baby waste my time Well baby baby what do you know
I think it's time to go
All the things that you say
Baby it's the other way
Oh leave me alone
I wanna go home*repeat Oh baby waste my time...(repeat)
