Let's Talk It Over

Bill Wyman

Don't you lie to me, don't you lie to me
Because it makes me mad
And I get shook up as a man can beWell, let's talk it over babe before we start
I heard about the way that you go and play your part
Now don't you lie to me, don't you lie to me
Because it makes me mad and I get shook up as a man can beWell, there's two kinds of people that I just can't stand
That's a lying woman and a cheating man
Now don't you lie to me, don't you lie to me
Because it makes me mad and I get shook up as a man can beWell, I can love you baby till our cows come home
But I'm sick and tired of you treating me wrong
Now don't you lie to me, don't you lie to me
Because it makes me mad and I get shook up as a man can be
YeahWell, if you love me baby and it ain't no lie
I'll be with you till the river runs dry
Now don't you lie to me, don't you lie to me
Because that makes me mad and I get shook up as a man can beWell, let's talk it over babe before we start
I heard about the way that you go and play your part
Now don't you lie to me, don't you lie to me
Because it makes me mad and I get shook up as a man can be
I get shook up, come on, yeahLie to me, lie to me, lie to me, lie to me
Because it makes me mad and I get shook up as a man can be
