

Cast No Shadow (Unplugged)

Oasis

Here's a thought for every man who tries to understand
What is in his hands (What is in his hands)
He walks along the open road of love and life
Survivin' if he can (Survivin' if he can) Bound with all the weight of all the words he tried to say
Chained to all the places that he never wished to stay
Bound with all the weight of all the words he tried to say
As he face the sun he cast no shadow As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride
As he face the sun he cast no shadow
Here's a thought for every man who tries to understand
What is in his hands (What is in his hands)
He walks along the open road of love and life Survivin' if he can (Survivin' if he can)
Bound with all the weight of all the words he tried to say
Chained to all the places that he never wished to stay
Bound with all the weight of all the words he tried to say
As he face the sun he cast no shadow
As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride
As he face the sun he cast no shadow
As he face the sun he cast no shadow
As he face the sun he cast no shadow
As he face the sun he cast no shadow
