

Neo (feat. Blair De Milo)

Donatachi

Leave your doubts behind,
head towards your fears,
light your path in clear view,
shed away your tears,

Leave your doubts behind you,
head towards your fears,
light your path in clear view,
shed away your tears,

'Cause I know, that being with you never crossed my mind,
you opened up my eyes and I came in fine,
and what did I find?

That is shows,
that anything can happen can't you see?
and I know this much is true, cause I am here with you
and cause you're here with me

when you came into my life,
you wouldn't even meet my eye,
tears are on your cheeks, why'd you cry
you told me that it was a sign
and I said,

Leave your doubts behind,
head towards your fears,
light your path in clear view,
shed away your tears,

Leave your doubts behind you,
head towards your fears,
light your path in clear view,
shed away your tears,

'Cause I know, that being with you never crossed my mind,
you opened up my eyes and I came in fine,
and what did I find?

(what did I find?)
That is shows,
that anything can happen can't you see?

and I know this much is true, cause I am here with you
and cause you're here with me

Leave your doubts behind you,
head towards your fears,
light your path in clear view,
shed away your tears,

Leave your doubts behind you,
head towards your fears,
light your path in clear view,
shed away your tears,

Leave your doubts behind,
(won't you leave your doubts behind you)
light your path in clear view,
(light your path in clear view)
Leave your doubts behind you,
head towards your fears,
light your path in clear view,
shed away your tears,

Leave your doubts behind you,
head towards your fears,
light your path in clear view,
shed away your tears,

Leave your doubts behind you,
head towards your fears,
light your path in clear view,
shed away your tears
