I've Got To Rock To Stay Alive

Saxon

I've paid my dues, I've been around
I've had my share of ups and downs
I'll never stop, it's in my bloodI've got to rock, it feels so good
Can't stop me now, it's in my soul
I've got to play more rock 'n' rollI can't live, I can't breathe
You got to give me what I need
Can't go on, can't survive
I got to rock to stay alive, stay alivePlay it loud, turn me on
Give it to me all night long
Loud and proud that's what I likeYou've got to get the feeling right
Don't stop now, it's in my soul
I've got to rock, I can't say noI can't live, I can't breathe
You got to give me what I need
Can't go on, can't survive
I got to rock to stay alive, stay aliveI can't live, I can't breathe
You got to give me what I need
Can't go on, can't survive
I got to rock to stay aliveLet me tell you what you need
You've got to set your spirit free
Just hear the power and feel the beatShout out loud and stamp your feet
Cut me loose but don't let go
I got to have more rock 'n' rollI can't live, I can't breathe
You got to give me what I need
Can't go on, can't survive
I got to rock to stay alive, stay aliveI can't live, I can't breathe
You got to give me what I need
Can't go on, can't survive
I got to rock to stay alive, stay aliveI can't live, I can't breathe
I've got to rock to stay alive
