

# Shuffle (Jack Steadman remix)

## Bombay Bicycle Club

Weight is coming off  
Soaring high  
Pleading you to stay  
Come alive Say you mean it, seal it up  
Say you wanna try  
Say you haven't had enough  
Say you wanna Once you get the feeling it  
Wants you back for more  
Says it's gonna heal it but  
You won't make the call  
One step back you're leaving it  
Now it's moving on  
Why won't you believe in it  
'till it's gone? Fading out the light  
Softly say  
Get it out my mind  
Any way
