I've Got to Use My Imagination

Sarah Connor

I've really got to use my imagination
To think of good reasons
To keep on keepin' onGot to make the best of a bad situation
Ever since the day
I woke up and found
That you were goneDarkness all around me
Blackin' out the sun
Old friends call me
But I just don't feel like talkin' to anyoneEmptiness has found me
Ad it just won't let me go
I go right on livin'
But why I just don't knowYou're too strong not to keep on keepin' on
Yes I am
You're too strong not to keep on keepin' onStaring down reality
Don't do me no no good
'Cause our misunderstanding
Is too well understoodSuch a sad, sad season
When a good love dies
Not a day goes by
When I don't realizeI've really got to use my imagination
To think of good reason
To keep on keepin' onI got to make the best of a bad situation
Ever since that day
I woke up and found
That you were goneYou're too strong not to keep on keepin' on
I've really got to use my imagination
To think of good reasons
To keep on pushin' onI got to make the best of a bad situation
Ever since the day
I woke up and found
That you were gone
