No Telling Why

Gilbert O'Sullivan

I can see by that look on your face
You despise all the tears, you've had to embrace
And I can tell by that look in your eye
There's no telling why, there's no telling whyOh, I really love you
I do so desperately
And I'll never be above you
You're all there is to meAnd I'm not in the habit
Running off another man's wife
But when love takes control of your soul
There's no telling whyI can't help feeling sorry for us both
We are victims of a crime, otherwise loathe
And for as long as we live till we die
There's no telling why, there's no telling whyOh pretty baby, you've got me on a limb
Would you know you drive me crazy
For you I'd do most anythingHaving stolen you from someone
Who loves you no less than I
It's amazing how love takes control
And there's no telling whyOh, I really love you
I do so desperately
And I'll never be above you
You're all there is to meAnd I'm not in the habit
Running off another man's wife
But when love takes control of your soul
There's no telling whyThere's no telling why
There's no telling why
There's no telling why
There's no telling why
